Elder Abuse Shelter

Our elder abuse shelter na safe place wey dey provide refuge for people wey dey 55 years old and above wey wan run from abuse.

Right now, we get 14 beds wey get funding and one emergency bed wey police fit refer people to. Di average time wey people dey stay for di shelter na 90 days. We dey welcome both Men and Women.

Since di pandemic start, di shelter don dey full and we don turn away seniors.

While people dey for di shelter, seniors dey receive educational and recreational programs, help with financial and housing applications, referrals, and other things.

Community Outreach support dey provided for up to 12 months after people move back into di community.
