About Unison

Unison at Kerby Centre has been providing support to seniors in Calgary and southern Alberta through a variety of programs and services for the past 50 years!

Our Food Security programs aim to combat hunger through a variety of initiatives including free biweekly food markets, weekly food hamper and grocery deliveries to isolated seniors, a free Community Food Pantry at Kerby Centre, and a community kitchen program for low-income seniors.

The Unison Elder Abuse Shelter gives seniors fleeing abuse a fresh start. We offer a safe and supportive place to stay, and help abused seniors regain their confidence, sense of peace and place back in the community.

Seniors were hit hard during the pandemic, and we're committed to offering programs that support their mental health and wellbeing. Our Wellness Connection Centre programs currently include a Men's Shed, Grieving Together Group, Social Calling program, Sidewalk Seniors, individual counselling sessions and art therapy classes.

Our Seniors Supports department is the hub of Unison at Kerby Centre providing information and referrals for older adults and their families including how to access government services, housing and community resources.

Our Active Aging department offers more than 45 in person and 8 online programs in the areas of active living, lifestyle enhancement, fine arts and financial literacy. These popular programs include computer classes, ESL, knitting, music, yoga, Tai Chi, Zumba, art classes, Ski Fit and Indigenous Studies.

Our Adult Day Program is designed to promote holistic wellness by providing stimulating, enriching activities for older adults with significant health challenges helping provide respite to caregivers.

Mission

To support older adults to live well in their community
