RETAIL COST PER DRINK

- The total owed for combined drink sales would be \$500.

11. Only individuals who purchase and taste the signature drink can submit a rating. Vendors cannot submit ratings on behalf of their customers.

13. Unison has zero tolerance for inappropriate online behavior and reserves the right to deny or revoke registrations from vendors.

14. Med Hat October Hot Drinks Fest may include sponsorship support. Marketing materials for the event will be provided by the organizing entity, Unison, at Veiner Centre.

In addition to adequate signage, vendors should ensure their staff know what Med Hat October Hot Drinks Fest is, how it works, and what the donation money will support. Through past events we have learned that the most successful vendors put up posters, present QR codes at tables, inform their staff about the event, and post about the event on their social media.
